SUPPLIES LIST

- Assorted watercolour paints (tubes or pans)
- large and medium round watercolour brush
- Black fineline pen, I use Staedtler Pigment Liner size 0.2,
A selection of 0.1, 0.2 & 0.3 is handy.
Other brands available are Sakura Pigma Micron and
Artline Drawing System.
- Black gel pen 1.0mm - I use Pentel Hybrid Gel Grip DX
- graphite pencil - I use a 1mm mechanical pencil (optional)
- Eraser (optional)
- paper towel
- Watercolour paper or journal – I use a travelogue journal
with 8×8” pages and a smooth surface – you can use any
kind or size you prefer however a smooth surface works
best (if your paper has a rough surface, turn it over, often
the back is smoother and works just as well :).
